## THE CAUSE

The Bill and Hilda Goodling Teacher Scholarship Fund is dedicated to supporting the next generation of educators. By providing financial assistance to aspiring teachers enrolled in colleges across York, Cumberland, and Adams counties, we ensure that local talent has the resources to succeed. Your participation helps bridge the gap for high-achieving students, investing in a future where every classroom is led by a passionate, quality teacher.

## THE INSPIRATION

Bill and Hilda Goodling dedicated their lives to the transformative power of education and public service. Hilda was a beloved teacher for over 50 years, known for her ability to inspire students of all backgrounds and abilities. Bill, a former teacher and coach, became known as the "Father of Education" during his time in the U.S. House of Representatives, where he championed family literacy. This scholarship honors their incredible legacy by continuing the work they started—breaking cycles of illiteracy and empowering educators to change lives.
