

2021 MONDAY PARTNERS RULES

Captain's Meeting – 6:00PM March 11th 2021
Rosters & Sponsor Fees Due: – April 2nd, 2021
Season Runs: 4/5/21 – 8/23/21 (No Matches 5/31)

Playoff Schedule:

8/30/21 5:15pm Top 8 teams; 9/8/21 5:00pm Semi-finals; 9/13/21 Finals (Complimentary greens and cart fee)
Banquet Date – Tuesday September 14th 5:30pm

Format: 2 person teams will play 9 holes with full handicap. Teams are divided into A & B players according to handicap. Individual matches will play for 10 points - one point for each hole won and one point for low net score. Standings will be kept on a weekly basis by totaling the number of points won.

STARTING TIMES: April & August 5:15pm; May- July 5:30pm. All players are expected to check in and pay the appropriate fees to the pro shop **prior** to each match. Provided there are open holes on the nine the match is to be played warm up holes are permitted. Anyone wishing to play earlier than 45 minutes prior to the starting time will pay a rate to be determined by the pro shop. **Please respect golfers finishing up their rounds.** If a player is late or leaves early, they lose all holes missed plus will not be eligible for low net. The late player must play D position. *Due to circumstances beyond our control, league play may sometimes start a few minutes late (an outing taking more time than anticipated). Thank you for your patience.*

Fees: The sponsor fee for the league will be \$60.00 per team. The sponsor fee will be used for the banquet, prizes and any other league expenses. The sponsor fee will be due by April 5th. The league greens fee is \$15.00 per player to walk or \$22.00 to ride. Players with the Capitol Region Golf Card will save \$3.00 dollars off the riding rate. There will be 2 closest to the pins each week.

Rosters: Each team must submit a team roster of no more than 10 players. Rosters will be final after completion of the 3rd match. If a player participates in a match and is not listed on the team roster he/she will be disqualified and their opponent will receive forfeit points. Team rosters may be picked up in the pro shop starting the fourth week. An individual may play on multiple teams within the league however once the playoffs begin they may only be associated with one team.

Position Nights: Position nights will be scheduled at the league administrator's discretion. Rainouts will be played in the order missed. If no matches are canceled, teams will play 1 vs. 2, 3 vs. 4 and so on. The last regular season match will be a position night regardless of the amount of rainouts.

Handicaps: The league administrator will keep handicaps. All handicaps will start from where the previous year ended. Handicaps will be adjusted each week and throughout the play offs. All new players will establish a handicap on the first night of play. Handicaps will be determined by taking 96% of your best 3 of 5 scores. **The maximum differential between two opposing players' handicaps is 9, except in the case of playing the course.** If a player does not have a handicap he will play against the B player and both players will figure their handicaps following play. Using your adjusted score, figure both handicaps using chart in clubhouse.

Scorecards: It is the responsibility of both team captains to fill out, sign, and hand in an official scorecard to the pro shop. Please write legibly the names as they appear on the handicap sheets. A maximum score of a **triple-bogey** will be used for handicapping purposes this is the adjusted score. Once the scorecard has been handed in the scores on that card are final.

Absent Players/Teams: If a team member is absent the "B" player of the other team will play the course. The team member will receive "6" points and one point for every stroke under par with their handicap. Maximum points awarded will be "10". If both players do not show, the opposing team members will each receive a maximum of 6 points; their scores will not count towards their handicap. In order to possibly receive more than 6 points, they have the option of splitting up and playing with the 4somes in front and behind them their score will count.

Max Score (Double Par +1): If a player reaches the maximum score allowed and has not holed out they must pick up, regardless of handicap strokes given or received they automatically lose the hole. If both players reach max score, regardless of any handicap strokes they will halve the hole. Any player that reached max score will still be eligible for the low net point.

Rainouts: The latest a match will be delayed due to inclement weather will be 6:00pm. If we are unable to start the match by 6:00 then that night's match will be canceled until the next available position night. Matches will be declared official if all teams complete 4 holes. Unfinished holes and the total score point will be halved. Strokes will fall as normal on the completed holes. Do not fill in the missed holes as the score will not be entered. Every effort will be made to complete the matches that evening. The captains of two opposing teams may agree to stop the match after 4 holes, however if other teams stay out and finish it will be considered an official match and rain checks will not be issued. The league rain check policy will be prorated credit for carts and green fees given to players with holes not played. **IT'S THE RESPONSIBILITY OF PLAYERS TO PICK UP RAINCHECKS THAT NIGHT!!**
